Common Sense Parenting: Using Your Head as Well as Your Heart to Raise School-Aged Children: 3rd edition

by Bridget A. Barnes
Common Sense Parenting: Using Your Head as Well as Your Heart to Raise School-Aged Children is a great guidebook for parents of children ages 6 to 18. It presents effective parenting strategies using your head as well as your heart to raise school-aged children.

Since the 1980s, attachment parenting has evolved into a fully fledged school of thought, with its principles being widely adopted in the West. The children, aged between 13 months and four years, are doing what they naturally do: growing and developing. They are learning to trust and rely on their parents, and they need continuous support and guidance.

The answer comes from a combination of common sense and research about child development. As you read a book with your child, pause occasionally to talk to him about what s. Common Sense Parenting: Using Your Head as Well as Your Heart presents an easy-to-read guide to raising school-age children, covering a wide realm of family issues.
