Hymns from the East Being Centos and Suggestions from the Office Books of the Holy Eastern Church (TREDITION CLASSICS)

by John Brownlie

This small collection of hymn prelude arrangements was written with the style of traditional Dutch hymn improvisations in mind. The pieces may be used in traditional Dutch settings. The collection includes preludes such as "Laudate Dominum", "Veni Creator", "In Domum Domini", "Ave Maria", "Veni Sancte Spiritus", "Pange Lingua", and "Agnus Dei". The preludes are intended to be performed in a traditional Dutch context, with variations on the traditional Dutch style. The collection is available in a paper-covered edition.
