Intelligence Matters: The CIA, the FBI, Saudi Arabia, and the Failure of America’s War on Terror

by Senator Bob Graham

Bob Graham was the CIA officer who authored "Intelligence Matters: The CIA, the FBI, Saudi Arabia, and the Failure of America's War on Terror." In his book, Graham argues that "terror mastermind Ramzi Yousef" was covered up by the U.S. government. Graham contends that at one point, a terrorist support network conducted some of its operations through Saudi Arabia. He specifically mentions the Bush administration's attempt to cover up its ties to the 9/11 attacks. Graham retired from the Florida U.S. Senate in 2005.
