Peer-Led Team Learning: A Handbook for Team Leaders

by Gretchen Mancus

Peer-Led Team Learning: A Handbook for Team Leaders provides guidance for developing Peer-Led Team Learning (PLTL) programs. This handbook is designed to help team leaders create effective learning environments for students. It includes practical advice on program planning, team leader development, and assessment techniques. The book also offers insights on the implementation of PLTL in various educational contexts. With clear instructions and examples, this resource is essential for educators looking to enhance student engagement and learning outcomes through peer-led team learning.
